Introducing the 25 Most Prominent & Successful Black Business Women of 2011

August 15, 2011

Gabrielle Finley-Hazle

**Chief Operating Officer
North Shore Medical Center
FMC Campus**

Gabrielle Finley-Hazle is the Chief Operating Officer of North Shore Medical Center FMC Campus. She recently contributed the hospital's physician recruitment, relocations, and redirections; business development; operational efficiency; outpatient acquisitions; community outreach partnerships; and reduction of operational costs. Prior to joining FMC Campus, Finley-Hazle was the Chief Executive Officer and Chief Operations Officer of a large multi-specialty physician group in Broward County. She has also worked for Carolinas Healthcare System and the North Broward Hospital and served as Associate Administrator at Broward General Medical Center and administrative officer of Health Services Integration at Broward Health's Corporate Headquarters. She also volunteers up to 20 hours a month at nonprofit organizations she supports. Gabrielle is a graduate of Cornell University and a native of South Florida.
