**NORTH SHORE MEDICAL CENTER FMC CAMPUS UNVEILS NEW
IMAGING CENTER OF WEST BROWARD**

FT. LAUDERDALE, Fla. -(December 2011) – North Shore Medical Center FMC Campus is proud to announce its new CT imaging services provided through the Imaging Center of West Broward. Under the leadership of Dr. Ivan L. Ayala, clinical director of cardiac imaging, The Imaging Center of West Broward’s highly qualified team of physicians and technologists will provide patients with some of the latest CT diagnostic scan technology available.

“FMC Campus is proud to offer its community advanced CT imaging services through the Imaging Center of West Broward,” said Chief Administrative Officer Ben A. Rodriguez. “The Center’s exceptional 64-slice CT imaging equipment delivers uncompromising image quality and can show even the smallest vessels and tissue-like those in the brain, heart and lungs- in precise detail.”

The Imaging Center of West Broward is committed to excellence in the field of diagnostic imaging. The Center’s advanced 64-slice CT system can capture images of the body’s most intricate anatomy, including the details of the brain and heart. These details provide FMC Campus radiologists and physicians with critical tools to deliver some of the most accurate assessment and diagnosis possible.

Clinical director of cardiac imaging, Dr. Ivan L. Ayala, is board certified in cardiology and cardiovascular computed tomography. With a clinical background in interventional cardiology, Dr. Ayala has earned Level III recognition from the Society of Cardiovascular Computed Tomography (SCCT) for his extensive experience in the field of cardiovascular imaging.

The Imaging Center of West Broward is located at 8395 West Oakland Park Blvd, Suite C in Sunrise, Fla. For more information about the Center, please call 954-318-2090.

About North Shore Medical Center FMC Campus

North Shore Medical Center FMC Campus, part of Tenet's Miami-Dade/Broward Health Network, is a 459-bed acute care hospital founded in 1973 and fully accredited by the Joint Commission on the Accreditation of Healthcare Organizations. Located at 5000 West Oakland Park Boulevard in Fort Lauderdale in western Broward County, FMC Campus offers a broad range of medical and surgical services. Its Heart Institute of Florida, the hospital's center for cardiac services, is a Joint Commission Certified Advanced Primary Stroke Center, Accredited Chest Pain Center with PCI, and has received recognition from the American Heart Association's "Get With the Guidelines", for Gold Performance Achievement in Heart Failure, Coronary and Stroke. FMC Campus is also recognized by UnitedHealthcare as a Premium Specialty Care Center for cardiovascular surgery, electrophysiology, and interventional cardiology and by Blue Cross Blue Shield Florida Blue Distinction Center for cardiac care. FMC Campus's additional services include the Surgical Weight Loss Institute recognized by the American Society for Bariatric Services as a Bariatric Center of Excellence, neurology and neurosurgery, cancer care, orthopedics, urology, psychiatry, gynecology, imaging, pain center, sleep lab, wound care, and 24-hour emergency services.
